PIVOT SURVEY

Over the Spring, many will see Pivot Athletic Trainers present at our home games. If players have injuries that need attention, please contact Patrick Noel as he can connect you quickly with a Pivot representative to schedule an appointment most convenient for your family. Pivot would also like families to complete a survey to better serve our membership.

MD UNITED FC - TRYOUTS

Tryouts begin first week of May

Each year we have tryouts to pick teams for the upcoming year. All information for next year (staffing, program, fees, tryout registration, etc.) will be available over the next few weeks. Please reach out to Harry Canellakis (Girls DOC) or Colin Herriot (Boys DOC) regarding questions about your child. April ID Clinics begin next week.

MD STATE CUP | PRESIDENT'S CUP

Games continue this weekend

Many teams continue their run to represent Maryland at the Regional tournaments for MD State Cup or Presidents Cup. Congrats to those who have advanced to the second round and good luck to teams with upcoming games.

INDIAN CREEK SCHOOL FIELDS

A few reminders regarding our usage

Parking and traffic issues have gotten better at Indian Creek. Just a few reminders as we look to remain respectful of our relationship with Indian Creek School (ICS) as these fields have provided a perfect venue for quality training and games.

- 1. No cars can park before the steps as you approach the fields.
2. Please follow the signs that provide for one way traffic around the access road.
3. Do not park in designated parking spaces for ICS faculty, staff, etc.
4. Do not park on access road in front of school as you wait for players.
5. On occasion, ICS will have other activities on campus as we are using the field and we must listen and follow their lead on parking.
6. Dogs are not allowed onto field level area.
7. Chewing gum is not allowed on the fields.
8. Do not leave trash on the bleachers.

Thanks for your help in keeping players safe continuing to get access to these fields!!!
