Maryland United FC and Rehab 2 Perform are thrilled to announce their partnership for the upcoming 2022 Season. These organizations provide the highest quality of education, instruction, and service for their respective athletes. This collaboration will enhance the development of the MD United FC players and support club operations through on field instruction, medical coverage, and further education to assist the teams with performing at optimal levels.

“We are really excited about this partnership with Rehab 2 Perform. As we always aim to provide the best possible youth soccer experience for our players, their health and well-being is a paramount in reaching that goal. Rehab 2 Perform will help enable us to keep our players healthy and work with our injured players to get them back to full performance levels.” Steve Campbell, Technical Director | Maryland United FC.

“This is an amazing opportunity to support one of the states' top programs, especially one that focuses so much on their players' development both on and off the field. Our goal as a company is to not only reduce the risk of injury and keep these athletes on the field, but to make sure they are ready to perform at all times.” – Dr. Josh Funk, DPT | CEO/Founder, Rehab 2 Perform
